RE: Scope determination on antidumping duty order on Aluminum Extrusions from the People's Republic of China (A-570-967)

1. On 01/05/2016, in response to a request by Plexus Corporation, Commerce issued a final scope determination that Plexus Corporation's Silver Spring Networks Enclosure which Plexus Corporation imports is within the scope of the antidumping duty order on Aluminum Extrusions from the People's Republic of China (A-570-967).
2. Because the imported product is an extruded aluminum bridge enclosure and is not finished merchandise, Commerce found this product to be within the scope of the order. It may be shipped by itself or with spare parts. It may also be shipped in a kit (i.e. Silver Spring Network Enclosure Kit), but the Department has found the Silver Spring Network Enclosure Kit to be outside the scope of the order as mentioned in Message 6020303.
3. Continue to suspend liquidation of entries of Aluminum Extrusions from the People's Republic of China, including Plexus Corporation's Silver Spring Networks Enclosure imported by Plexus Corporation and shipped by itself or with spare parts, as described above, subject to the antidumping duty order on Aluminum Extrusions from the People's Republic of China.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by OVI:SAH.)
5. There are no restrictions on the release of this information.
